Fundamentals of Corporate Finance with MyFinanceLab Jonathan Berk boken PDF

For undergraduate corporate finance or financial management courses using IFRS.

This title is a Pearson Global Edition. The Editorial team at Pearson has worked closely with educators around the world to include content which is especially relevant to students outside the United States.

The core concepts you expect. The new ideas you want. The pedagogy your students need to succeed.

Fundamentals of Corporate Finances applied perspective cements students understanding of the modern-day core principles by equipping students with a problem-solving methodology and profiling real-life financial management practices all within a clear valuation framework.

The second edition focuses on new topics and includes an increased emphasis on valuation.
